

# STAR1M

## 2 in 1 Contactless Smart Card Reader Standalone and Online Reader

Its Innovative Design and Compact size,  
make the STAR1M suitable for different environments : hotels,  
offices, residential...

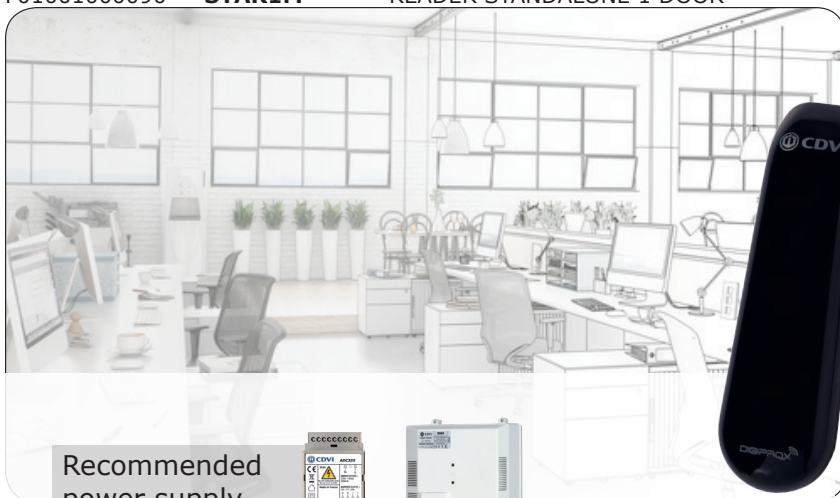

In standalone mode, its simple and fast programming makes  
it possible to add a user card in a second.

The STAR1M can also be used with Atrium and Centaur systems  
as a Mifare® Card Reader.
